

SCHOOL'S IN ALERT = SAFETY

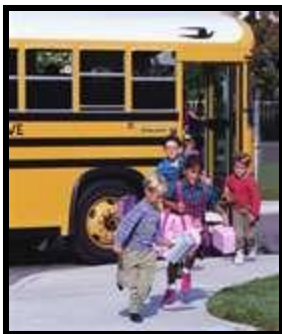

- Never pass a stopped school bus.
- Stop when a bus is loading or unloading.
- Maintain a safe following distance behind a bus.
- Drive slowly, watch for children.
- Reduce speed at designated school zones.

• The safety of school children depends upon drivers using extreme caution.

• Allow extra time or consider using alternate routes during the school year.

• Watch for warning signs indicating a school crossing or zone.

• Check areas on both sides of a crossing zone.

• Remember school buses make frequent stops and a stop may be located anywhere.

- Obey school speed limit.
- Obey crossing guards.
- Watch for children.
- Expect the unexpected.
